WHAT OUR CLIENTS AND COLLEAGUES SAY ABOUT ESI

From the Parent of Three Teenage Girls

" Here is a copy of (my daughter's) recent SAT scores. Please forward them to her tutor as I am sure he is interested to see how she has preformed". "She had an increase in every section with a total increase in score of 240 points! Thanks you for all your tutoring help...two daughters down and one to go with the SAT's!"

From the Parent of a Summer Camp Attendee (Study Skills for Upper Elementary)

"Notably good service experience. The teacher of the academic camp helped tailor the material to meet our child's needs. She was very receptive to our input and put focus in information that his teacher had recommended he work on, Great individual attention! Our child had a very positive experience".

From the Parent of an International High School Student to the ESI Director

"My son had a good expereince with (your tutor) studying Spanish this summer. She worked well with him, pushed through all the topics to be covered, and recognized the teen limits of concentration, I was very pleased with the responsiveness and ongoing support ESI provided in this tutoring assignment. You were open to our specific needs, worked with our timing and followed up every step of the way. Thank you for your support - it exceeded my expectations"

From a High School Student to an ESI Tutor

"I would like to thank you again for helping me raise my SAT scores. I was accepted by [3 private Colleges and 1 State University Honors Program]."

From the Parent of a High School Student to the ESI Administrative Staff

Thanks so much! The tutor was Great! [Our son] scored 70 points higher on his SAT!" "

From a Parent of an Elementary School Student

"[My child's classroom teacher] is seeing excellent improvement in [his] math skills. [We] are very pleased with the positive results and really appreciate your help."

From a Teacher to a School Administrator about a Student tutored by an ESI Tutor

"[The tutor] is a very dedicated teacher with an abundance of experience. Her talent in unlocking his reading disability needs to be noted."

From an Adult attending a local Technical College

"I wish I had come to Educational Service last year. I would really have been doing really well in my classes."

From an ESI tutor to the ESI Director about one of her Students

"He has just made the honor-roll 3 times in a row and the school has just given him a \$50 saving bond because of that feat."

From a School Principal to the Delaware Department of Education

*"I would recommend **Educational Service** as this organization operates in a professional manner consistent with the expectations we put forth."*
